

Resetting Your Password

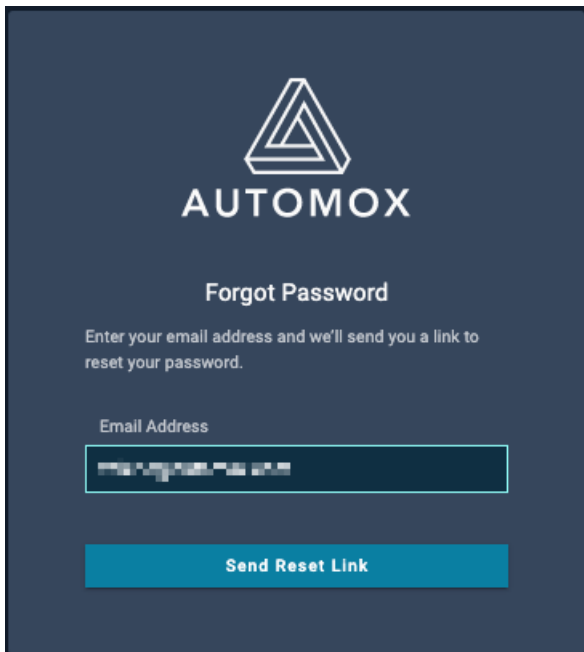

If you forget your password, you can reset it from the console login page.

<http://console.automox.com/>

The screenshot shows the Automox login interface. At the top is the Automox logo, a stylized white triangle on a dark blue background. Below the logo is the word 'AUTOMOX' in white. There are two input fields: 'Email Address' and 'Password'. The 'Forgot Password?' link is highlighted with a red rectangular box. Below the input fields is a blue 'LOGIN' button. At the bottom of the page, there is a link that says 'Don't have an account? Get Started'.

1. Enter your email address in the login window.
2. Click: [Forgot Password](#)
3. Enter your email address to receive a reset link.
4. Click **Send Reset Link**.

The screenshot shows the Automox 'Forgot Password' page. At the top is the Automox logo, a stylized white triangle on a dark blue background. Below the logo is the word 'AUTOMOX' in white. The title 'Forgot Password' is centered. Below the title is a message: 'Enter your email address and we'll send you a link to reset your password.' There is an 'Email Address' input field and a blue 'Send Reset Link' button.

Password Requirements

Password requirements are as follows:

- Must be at least 12 characters, but no more than 64
- Repetitive or sequential characters are not allowed
- Passwords (new or updated) are screened against lists of commonly used or compromised passwords
- Existing account will have a transition period of 30 days before they are directed to update their password

For more information, contact support@automox.com.
