

Settings Overview

You can manage your billing, email notifications, user accounts, the Automox API, and security settings from the Settings page. To access Settings, go to the menu in the upper right of the console.

See the following to learn about or perform account-related tasks:

- [Profile](#)
 - [Billing](#)
 - [User Accounts](#)
 - [Managing Keys](#)
 - [Security](#)
 - [Login Attempt Settings](#)
 - [Email Two-factor Authentication](#)
 - [Enabling Mobile Two-factor Authentication](#)
 - [SAML-based Single Sign-on \(SSO\)](#)
 - [Automox Okta Single Sign-on \(SSO\) Integration](#)
 - [Enforce Organization-Wide Two-factor Authentication](#)
-
