Connect with Community members, keep up-to-date on the latest releases, and search our library of Worklets. Visit [Automox Community](#).

To start a new topic or ask a question, see [Create a new topic](#).

The screenshot shows the Automox Community website interface. At the top, there is a navigation bar with the Automox logo and links for Automox.com, Support, Status, Console, Roadmap, Videos, Documentation, a search icon, and a user profile icon. Below the navigation bar is a blue banner with the text "Ask a question" and a right-pointing arrow.

The main content area is divided into three columns of featured content:

- Latest Release Notes:** A list of three release notes for the week ending 04/16/2021, 04/09/2021, and 04/02/2021, each with a "See More" link.
- Latest KB Notes:** A list of three knowledge base articles: "Newbie's Guide to Getting Started with Automox API", "Agents", and "API Reference Guide", each with a "See More" link.
- Latest Worklets:** A list of three worklets: "About the Worklets category", "Enforced Application Uninstall for Windows", and "Install Microsoft Teams", each with a "See More" link.

Below the featured content is a section for "Latest Topics" with a table of recent discussions:
