

Automox University

Automox University is a training portal to help you get your Automox account up and running.

Sign up with your company email at [Automox University](#). The courses provide a basic overview of product features and functionality. The university team is developing courses each month on various topics, including worklets, the API, and security.

Keep an eye on the [Automox Community](#) and the monthly Automox newsletter for new courseware announcements.

The screenshot displays the Automox University website interface. At the top, a dark blue navigation bar contains the Automox University logo on the left and links for 'Community', 'Automox.com', 'Console', 'AX Dev Portal', and 'Support Docs' in the center. A search bar and a user profile icon are on the right. Below the navigation bar is a hero section with a dark blue background. It features the 'Automox University' title in large, light blue font, followed by the subtitle 'Automox Onboarding- The Basics courses will help get you started.' and a prominent blue 'Check them out' button. To the right of the text is an illustration of educational icons: a lightbulb, a graduation cap, a satellite, an open book, and a trophy. Below the hero section, five course cards are arranged in two rows. Each card has a blue header with an icon and a title. The first row includes 'Automox Onboarding-The Basics' (4 Courses), 'Managing Bulk Deployments', and 'Advanced Policy Management'. The second row includes 'Automox Resource Guide' and 'Quick Tips'. Each card provides a brief description of the course content.

Automox Onboarding-The Basics
This series of four courses guide you through the Automox Console and introduce you to the main features and functionality of the product.
4 Courses

Managing Bulk Deployments
